Terms: By signing up for a Bottleshop48 Wine Club, you authorize Bottleshop48 to keep your agreement on file and charge your credit/debit card each month for your Membership. You agree to a recurring monthly charge based on the club you joined plus Tempe sales tax. Must be 21 years of age or older.

Enrollment Process: All wine club membership happens in a two-phase process.

Phase 1: The customer must select and purchase their initial club option via our online store located at the following URL: <https://squareup.com/store/bottleshop-48> . You will pay for the first month of your membership and be entered into our system as a wine club member.

Phase 2: The customer will receive an emailed invoice the following month. This one time only, you will fill out the payment and contact info via the invoice and select the option to store your payment info on file for future payments. From that point onward, your monthly wine club membership fee will be charged automatically to the credit/debit card on file and you will receive an emailed receipt for the recurring monthly charge.

Wine Pick-up: All club wines will be available for pickup at Bottleshop48 the second Wednesday of each month. We will also have all four of the club wines available for tasting, since members can order more of these wines at a discount for that month. **We do *not* deliver wines to customers.**

****Wines will be held for **60 days**. After that point, we cannot guarantee their availability. If the wines are no longer available, the customer will be given a store credit in lieu of the wines.*

Cancellation: There is a one month minimum on all wine clubs. After one month, you may opt to switch to a different club level or cancel your wine club membership altogether. Changing club levels or cancellation must be done by contacting Bottleshop48 via phone or email.
